BACKGROUND

2

TCN Security Services was established in 2008 driven by the desire to reduce criminal activities and improve overall safety within our country. We are a Level 1 BBBEE accredited company led by a dynamic woman.

We are registered with PSIRA with registration number 1674659. All our security personnel are also registered with PSIRA, highly trained and experienced to provide an exceptional service at all times while providing a true sense of comfort and security.

Since our inception, we always strive to provide quality services targeted to exceed client's expectations. We participate in social and economic initiatives and contribute to the overall safety improvement within our communities.

TCN Security Services actively pursue the ever-improving quality system through programs that enable each employee to do their job right the first time and every time.

With our head office in the Limpopo Province, the company provides a complete security offering ranging from physical and event guarding, access control, patrolling and VIP protection services..

VISION & MISSION

4

OUR VISION

To be a leading professional security company in the industry by exceeding our customers' expectations and creating client-agency working partnerships, while valuing each and every employee.

OUR MISSION

To exceed our client's specific and customized security needs by delivering the highest quality of professional private security service based on trust and confidence.

SOCIAL & ECONOMIC RESPONSIBILITY

5

For over a decade, we have worked with communities and the public sector to make a difference where it matters the most.

We achieve this by creating job and learning opportunities, corporate social investments and sub-contracting local and emerging youth-owned entities. We believe that youth are the indestructible pillars of support towards achieving our vision.

TCN Security Services has adopted a group-wide BBBEE strategy that aims to achieve broad-based empowerment ownership, black executives and employee compliment that reflects South Africa's diversity.

Our corporate policies support preferential procurement initiatives as well as enterprise and social development programs.

WHAT WE DO

PHYSICAL GUARDING

The provision of physical and event security services has been our core since our humble beginnings in 2008. TCN Security Services pride itself by having a team of well trained and experienced security personnel providing physical security at various locations such as schools, hospitals, government buildings, construction sites, National Key Points and others.

"We have invested on systems such as security patrol management platform to improve the quality of service that we provide at all times."

ACCESS CONTROL

TCN Security Services comprise a team of friendly personnel to provide basic access control services to advanced access control using CCTV and other electronic systems.

We monitor the entry and exit points for people and vehicles to prevent unauthorized removal of equipment and other valuables from construction sites, offices, warehouses and others.

VIP PROTECTION

Various factors may lead to a need for personal or executive protection services. No matter what the reason may be, you can always rely on us for a true feeling of protection and freedom.

We have a fully equipped team to address all your executive or personal protection needs. Our services are provided as a once-off offering for a particular occasion or as a fixed-term contract.

"The company's first and important priority is to protect the people and assets of those we are serving."

CROWD MANAGEMENT

TCN Security Services team is trained and experienced in handling crowds and assisting law enforcers to control the crowd during public unrest and protests.

We conduct this while taking extra precautions to ensure the safety of the general public, protestors and our personnel.
